August 15, 2019

Tyson:

Thank you for your contribution to the renovation of the Ohio State Football Head Coaches office. The teamwork required to complete a job of that size in such a limited timeframe was thoroughly impressive. I appreciate the care, effort, and tireless work that went into the project and could not be happier with the result. Thank you for being a part of the Ohio State Football family and for a job well done.

Go Bucks!

Sincerely,

A handwritten signature in black ink, appearing to read 'Ryan Day', written in a cursive style.

Ryan Day  
Head Football Coach
